PARTS

When you buy a bus from IC Corporation with a new MaxxFORCE™ engine, you are not only buying a bus with tremendous quality and performance, but you are buying into an industry leading support network. A key element of the IC Corporation and IC Corporation dealer support network is the Navistar® Parts organization. Navistar Parts has you covered no matter where you are, through an expansive network of locations across North America.

We do whatever we can to anticipate and prepare for your needs. Most of all, we strive to meet your needs and exceed your expectations. We stay abreast of the latest trends and parts offerings and work to provide you with a variety of solutions for your new MaxxFORCE™ engines.

IC Corporation, MaxxFORCE™ diesel engines, and Navistar Parts, a winning combination.

WARRANTIES

IC Corporation has continued the tradition of offering industry leading warranties on the new MaxxFORCE™ Engines. The MaxxFORCE™ 7 and DT engines come standard with:

The MaxxFORCE™ 7 and DT engines come standard with:

- 5 year / unlimited mileage warranty on base engine (not including electronics).
- 3 year / unlimited mileage warranty on Glow Plugs, Relay, and Harness / Connectors.
- 5 year / unlimited mileage warranty on aftertreatment devices, including diesel oxidation catalyst and diesel particulate filter.

IC Corporation is also able to customize any type of extended warranty you may require for the bus, engine, or aftertreatment devices.
