

IC BUS® SERVICE CONTRACTS CE SERIES SCHOOL BUS

DIESEL CE SERIES GASOLINE CE SERIES

Increased uptime through proactive maintenance planning around your schedule, reducing the frequency and duration of service events.

Ensured peak vehicle performance and fuel economy through professionally trained technicians working with genuine OEM parts and lubricants.

Locked-in maintenance costs protect from future inflation with the ability to capitalize those costs with attractive financing options.

Service event orchestration ensures your service event is managed efficiently and keeps you updated on status and estimated time of completion.

DELIVERING CONFIDENCE. MILE AFTER MILE.

School bus operators play a vital role for students, parents, and administrators alike. IC Bus understands the importance of this responsibility. That's why we offer comprehensive service contracts designed to drive greater reliability, lower your total cost of ownership, and provide peace of mind for an unparalleled ownership experience.

SERVICE EVENT ORCHESTRATION

Dedicated resources to manage and expedite your service and repair events including:

- Coordinate technical and field support and facilitate expedited parts shipments when needed
- Help facilitate timely communications and service progress updates to keep you informed

OPTIONAL SERVICES

- Towing coverage protects and reduces out-of-pocket expenses in the event of a warrantable failure, up to \$1,100 per event
- Wear items replacement package that allows you to lock in the cost of replacement parts such as brake pads, rotors and shocks at today's prices

Talk to your dealer about available extended service coverage options that can be packaged as part of your service contract.

PROACTIVE SERVICE PLANNING

Our team will use remote vehicle health and performance data to support you in planning service events.

- We will coordinate with you to schedule service at a time and location that minimizes disruption to your operations
- This proactive approach can lead to FEWER and FASTER service events during your ownership cycle
